GRAFIK T™

Touch the Future of Lighting Control

GRAFIK T™ Dimmer & Switch

This simple, intuitive design and effortless operation set a new standard for lighting control—no knobs, sliders or buttons, *just touch*.

- Easy-to-use touch control is responsive to the lightest touch and slightest motion
- Intuitive one-touch operation sets the lights exactly where you need them
- Modern architectural design adds distinct style to any space
- Illuminated LED lightbar with softly lit white LEDs indicates the light level
- C.L. dimmer and switch models available
- Available in a wide variety of colors and finishes, including metal and glass, to complement any décor
