Letter from Carl

We are very happy you have joined us here in Niagara-on-the-Lake and we are looking forward to spending time with you. Over the course of the next few days, you will have untagged access to our Portfolio Managers, an opportunity to network, and enjoy some fun activities with your peers.

To help you plan and to keep you informed during your stay, we've enclosed an agenda, information on our Portfolio Managers and a map of the area.

On behalf of all of us at IA Clarington, we hope you gain some valuable insight and enjoy your time with us!
