Mulate's Restaurant

New Orleans, LA

SAVED \$84,000
IN 12 MONTHS

It's been a couple of years now since I've been shopping at Restaurant Depot and I am extremely impressed with how RD has held up against (competitors) in the business. The great prices, very neat shelves, clean floors, clean restrooms, and warm greeting when I enter, is not the only reason I visit weekly, it's also the staff. Whether it's me or another customer, I always experience them going out of their way, and always answering every question, helping everyone and always back tracking to see if anyone needs assistance.
