Timeframes, mindframes,
to be drawn to scale?
To conceal or exhibit,
to experiment or fail.
To start, to revisit,
to stop and repeat.
To finish, to frame,
or to leave incomplete

**Jigsaw Magazine is a project
which looks to illuminate
local artists. It is a platform for
people to showcase their work
and talent, to come together to
create something beautiful.**

Thanks to everyone who
contributed their artwork,
time and effort for Issue 2.
All my love, Noel.
