

ACTIVATE!

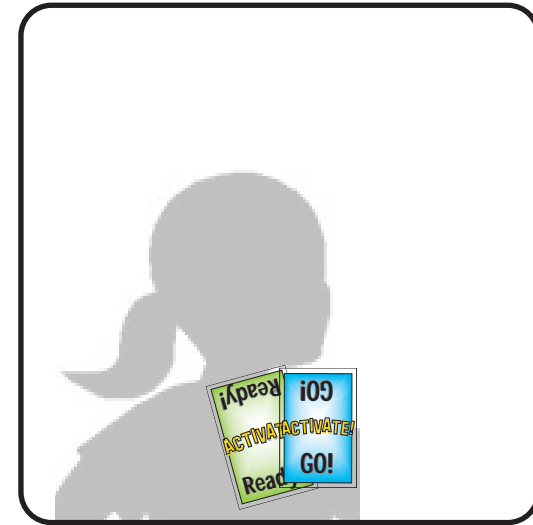

Final Product - Gameplay

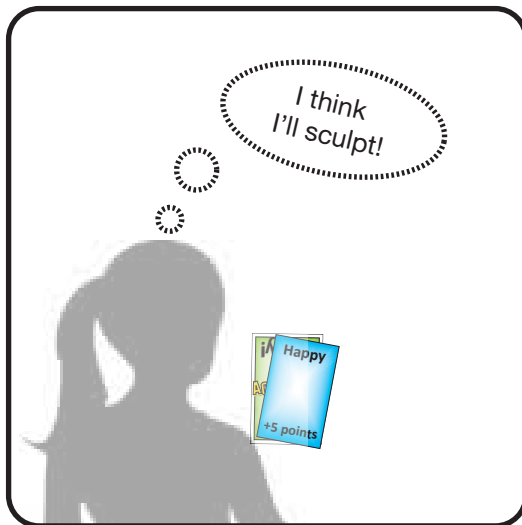

Gather a group of friends or family! 3 - 8 players is best!

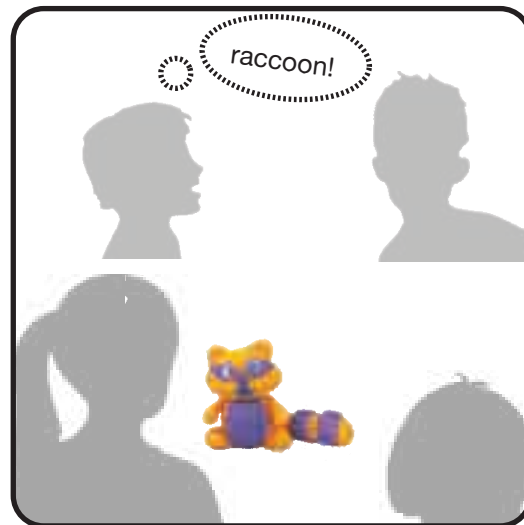

Unpack game and choose a point goal. 1 point equals apr. 1 minute of gameplay. ie. 30 pts = 30mins

The youngest player goes first! She chooses one Ready! (noun) card and one Go! (adjective) card. These 2 cards create a fun combination.

The first player then decides how she wants to "Activate" or express these words to the other players. Options are Draw, Sculpt or Act.

The other players try to guess the 2 words before time runs out. Points are awarded to each right "guesser" and to the "Activator".

Players take turns being the "Activator" until a player reaches the point goal is declared the winner!
