Templates

For proper results, download our press-ready templates at www.greentoadprinters.com/templates

Recommended Formats

GTP recommends that you bring in the original file (.AI, .PSD, .INDD, etc.) for the highest quality print.

Bitmap vs. Vector

Bitmap Files

Bitmap, or raster files are created using a grid of colored pixels. The fewer pixels that make up the image, the less detail it will have. Scale an image up too far, and pixellation, or jaggy edges will occur.

Vector Files

Vector files are created using mathematical equations from a series of connected points. Vectors can be scaled up or down with no loss in image quality.

The Numbers

Drowning is the #1 cause of accidental death in children ages 0 to 4

Florida leads the nation in the drowning of children under age 5.

Drowning kills 9 people per day in the U.S. and nearly 1 million per year around the world

In 2007, 479 Florida residents drowned and another 374 were hospitalized for non-fatal drowning. For every drowning & non-drowning hospitalization reported there are four incidents that go unreported.

Every child needs to learn to swim
Every child deserves to learn to swim
Every child deserves to live

Who is GOS?

The Gift of Swimming was established as a 501(c)3 charitable organization in 2003 to address a serious gap by providing potentially lifesaving swim training for disadvantaged and developmentally disabled children. The mission of the Gift of Swimming is to provide access to drowning prevention resources and education which includes swim training for the community's underprivileged, mentally or physically challenged or otherwise disadvantaged.

100% of the funds donated directly benefit the swim scholarship program

Help Us

The cost of saving a life: sponsor a child with a swim scholarship for \$375

Ask about the 5K event Run for the Gift CPR classes: The Gift of Swimming is offering CPR classes for all ages at SouthWest Aquatics or at your office.

Swim Suits: Please drop off your gently used swim suits for children ages 3-5

In-Kind Contributions: The Gift of Swimming receives free rent, supplies, use of equipment and administration as well as 21% cost savings on lessons provided by SouthWest Aquatics. Perhaps you have a company resource or talent you can contribute to The Gift of Swimming.

Our Effects On The Industry

South Beach Construction has been instrumental in constructing, consulting and overseeing various types of construction projects that have surpassed the expectations of their clients. Regardless of the type of construction or real estate service provided, our clients are guaranteed that the knowledge, professionalism, and quality, combined with our expertise, is second-to-none.

South Beach Construction has developed business relationships with all of the agencies that one comes in contact with during the normal course of business within the construction and real estate industry. This has been proven to our clients time and time again.

South Beach Construction has a simple business philosophy: gaining a clients confidence leads to long-term opportunity for success. Combining that with experience, knowledge, and professionalism, South Beach Construction is committed to their clients.

Our clients are family and their success is our success

South Beach Construction uses the most current methods, materials and techniques. We guarantee our clients that their project is in compliance with all of the National, Federal, State and Local Laws, Codes, Ordinances and Regulations of the United States.

Turning over a quality project delivered on time and within budget

Violation Solution Expert REO Construction Specialist

Successfully resolving building department, code enforcement and zoning obstacles in a timely manner can be a major obstacle when selling or buying property. Whether it be an expired permit, unsafe structure violation, or an encroachment into the setbacks, let the professionals at South Beach Construction help you.

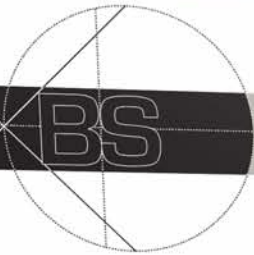

With over 15 years of experience as a building inspector and over 20 years as a general contractor combined with over 100 years of experience in the construction industry, South Beach Construction can help. South Beach Construction are experts on the Florida Building Code and are fully licensed and insured. Our expertise and experience has allowed us to work with realtors, banks, title companies and others on properties to maximize the return.

NATURAL BRONZE

solutions & systems

What is Natural Bronze?

Natural Bronze works with the body's own natural tanning process. This allows the skin to produce a natural tan without the harmful UVB and UVA rays from the sun. Our product contains and employs the skin's natural tanning process. Our product contains and employs the skin's natural tanning process. Our product contains and employs the skin's natural tanning process. Our product contains and employs the skin's natural tanning process.

In addition, the Natural Bronze system has added ingredients. These ingredients are all-natural and safe, and your skin will love them.
