Asian
World Market

Direct Unlimited Potential.

You're invited to experience the global market like never before. The Asian World Marketplace is North America's first shopping destination leased exclusively to Asian manufacturers. The opportunity to market goods directly to American clients and consumers has never been this large. Billions of eager customers will have the chance to shop, purchase, and interact with Asian manufacturers for the first time. You are invited to experience unlimited sales potential in a state-of-the-art facility.

Direct Destination of Success.

From world-renowned architectural design to a geographical center of expansion, the Asian World Market is positioned on the crossroads of commerce. Clients and customers visiting the facility will conduct business in the lap of luxury, enjoying first-rate restaurants, an art gallery, sculpture garden, and technological amenities that will ensure repeat business. Visitors can shop at the nearby Mall of America, seek excitement at the Valleyfair Amusement Park, take in sports at the Canterbury Park Racetrack, and unwind at Mystic Lake Casino – all within minutes of the top class Asian World Market facility. One of the nation's largest airports, Northwest Airlines, will ensure easy travel from all over the world.

Direct Passport to Profit.

The Asian World Market is leasing space to Asian manufacturers today at affordable prices. Terms and conditions are available for review by interested parties. The opportunity to rapidly expand your organization to an unlimited degree will never be offered at such a lucrative rate, so please contact us today and reserve your space on the crossroads of commerce.
