

"EVERY CHRISTIAN IN EVERY CHURCH ACROSS AMERICA OUT OF DEBT IN LESS TIME."

Miles McPherson, Senior Pastor
Rock Church, San Diego CA

"For those struggling with credit card debt, I recommend Christian Credit Counselor's Debt Management Plan. CCC's Debt Management Plan has helped many Rock Church members.

Those who have signed up for the plan have saved an average of \$30,000 in interest payments on their credit cards, enabling them to get out of debt faster and reducing debt payment schedules by years!

I highly encourage you to contact CCC to find out how they can help your church members achieve debt-free living."
