PLAN

• Who will champion the initiative at your facility?

• Whose buy-in do you need to gain?

• What roadblocks do you anticipate?

IMPLEMENT

• What is the time-line?

• What key deliverables or activities are required?

• What are the key milestones?

MEASURE

• What does success look like?
  - Two weeks after completion?
  - Three months after completion?
  - Six months after completion?

To the right is an application map of available Amkai products. A check mark indicates that your parent organization has purchased the module from Amkai. You can reference this information when considering which sessions to attend. Whether you need to learn how to optimize the Amkai applications you already own or are interested in learning about the latest enhancements in an add-on module, the GO!2017 agenda has you covered.
