

BRACKET

A CONCEPT FOR LAGO ITALIA

IN THE SPRING OF 2009 I WAS FORTUNATE ENOUGH TO WIN A GRANT FROM THE ITALIAN TRADE COMMISSION THAT ALLOWED ME TO TRAVEL TO ITALY TO STUDY STRATEGIC DESIGN AT THE POLITECNICO DI MILANO. THE TRIP ALSO AFFORDED ME THE OPPORTUNITY TO ATTEND THE SALON AND THE EVENTS OF DESIGN WEEK IN MILAN. I WAS ABLE TO TOUR SEVERAL FACTORIES OF VERY FAMOUS BRANDS, ENGAGE WORLD-RENOUND DESIGNERS IN CONVERSATION, AND PARTAKE IN THE DESIGN CULTURE THAT EUROPE AFFORDS. PRIOR TO THIS TRIP, THE SCHOOL SENT TWO PROFESSORS, ALBERTO SALA AND ALLESANDRO DESERTI, TO SAVANNAH TO HOST A SERIES OF LECTURES AND WORKSHOPS FOR THE FIVE PARTICIPANTS.
