

THE SPREAD

A CENTERPIECE FOR DDC & SURFACE MAGAZINE

I DESIGNED THIS PIECE FOR AN EVENT SPONSORED BY DOMUS DESIGN COLLECTION AND SURFACE MAGAZINE, WHICH COINCIDED WITH ICFF. RATHER THAN DESIGNING ANOTHER BOWL, I WAS LOOKING FOR A WAY TO UTILIZE SOME MATERIAL REMNANTS FROM AN EARLIER PROJECT IN A DIFFERENT FASHION. THE RESULT IS ANNOXIDIZED ALUMINUM THAT CAN BE REARRANGED IN A NUMBER OF CONFIGURATIONS.
