

# 'ROUND MIDNIGHT

A HYBRID KINETIC ILLUMINARY

THIS PIECE IS HYBRID BECAUSE IT FUNCTIONS AS MORE THAN A SIMPLE FLOOR LAMP. 'ROUND MIDNIGHT CAN BE SITUATED TO OFFER DRINK SERVICE OR USED, IN ITS UNLOCKED STATE, AS EVENING KINETIC STATUARY. THE SMALLER REFLECTOR IS COUNTERBALANCED TO THE PRECISE WEIGHT OF THE LARGER, SO ONCE SET IN MOTION, 'ROUND MIDNIGHT WILL CONTINUE FOR ALMOST ONE MINUTE.
