

THE LIGHT BUFFET

A MOBILE KITCHEN WORKSTATION

TRADITIONALLY, ONE MIGHT THINK THAT A PIECE OF FURNITURE FOR A SMALL KITCHEN WOULD NEED TO BE AS LARGE AND STORAGE FRIENDLY AS SPATIALLY POSSIBLE. BUT BY INCREASING THE MOBILITY AND FUNCTIONALITY OF THIS PIECE, IT HAS THE POTENTIAL TO BECOME THE HUB FOR ALL COOKING ACTIVITIES. THIS MEANS THAT WITH LESS SPACE, THE CONTENTS IT STORES BECOME MORE PRECIOUS. BY PROVIDING CUSTOM TRAYS, RACKS, AND ORGANIZATION, AND BY REDUCING THE VISUAL MASS OF THE PIECE, THE DESIGN ENSURES GREATER VALUE FOR LESS COST.
