

The Next Generation of Functional Beverage

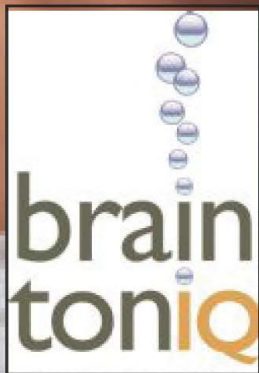

The clean and intelligent think drink.

Brain Toniq™ is the world's "first truly functional think drink." Completely non-caffeinated and sweetened only with organic agave syrup, Brain Toniq is specifically designed to increase mental focus, function and clarity. Formulated from Rhodiola root, Choline and DMAE (two natural compounds), Eleuthero, and wild-harvested Blue-green Algae extract, the cognitive effects of Brain Toniq are generally felt within minutes. It's lightly carbonated, flavored with natural citrus extracts, and sweetened with organic agave nectar.
