END-OF-CHAPTER QUIZZES.**

ITEM# 30136

Wrap offers a hook-and-loop closure.

**DIRECT SAFETY®
SEGMENTED WRIST WRAP**

UNIVERSALLY SIZED
Complete lifting and repetitive motion tasks with ease with this wrist support from Conney. 3" wide segmented elastic "breathes" and allows moisture to pass through for longer, more comfortable wear.

AVAILABLE SIZES
14" length wrap fits wrist circumferences of 5" - 8 1/2"

ITEM# 30410

**DIRECT SAFETY®
NEOPRENE UNIVERSAL
WRIST WRAP**

Keep your full range of motion while providing warmth and compression to the wrist. Large thumb opening makes support easy to put on. Fits right or left wrists.

AVAILABLE SIZES
From 4.5" to 11" in circumference

ITEM# 30509

**DIRECT SAFETY®
TERA-PRENE™ UNIVERSAL
WRIST WRAP**

TERA-PRENE™ WRIST WRAP
Is made of 1/8" terry-lined, perforated neoprene to wick moisture away from the skin. Keep your full range of motion while providing warmth and compression to the wrist. Large thumb opening makes support easy to put on. Fits right or left wrists.

AVAILABLE SIZES
From 4.5" to 11" in circumference

ITEM# 30135

**DIRECT SAFETY®
UNIVERSAL WRIST WRAP**

Give support to weakened muscles and aid in the management of carpal tunnel syndrome with this 3" wide wrap. Special full-length hook fastener engages anywhere on the plush wrap to allow for a universal fit. Fits right or left wrists. Machine washable.

AVAILABLE SIZES
From 4.5" to 11" in circumference
