

Two twins one grew up with Mommy and Daddy and had the best of the good life, the other locked away since adolescence in a mental institution. Neither one knows about the other one.

The mystery unfolds as the two get reunited after their parents are killed in a mysterious skiing accident.

Susan and Sibel Swan are about to embark on a chilling mystery into their parents mysterious death only to find out that they are long lost sisters. Why hadn't their parents told the two about each other?

"Iris Johansen has a great spin on this well written mystery." -NEWYORK TIMES

"Wildly acclaimed mystery writer IRIS JOHANSEN has written another chilling master piece." -People
