

# Thank You

National Volunteer Appreciation Week  
April 21-28, 2012

“The human contribution is the essential ingredient. It is only in the giving of oneself to others that we truly live.”

— **Dr. Ethel Percy Andrus**

In recognition of National Volunteer Appreciation Week, we wanted to take this opportunity to express our sincere appreciation, for the time and energy you have given on behalf of AARP this past year.

Whether you serve in big or small ways, your volunteer service is making life better for others in your community.

The AARP Iowa staff thanks each of you for helping us to promote the ideals of Dr. Ethel Percy Andrus, our founder, and her mission to ensure that all Americans age with dignity and purpose.

*Thank you for your volunteer contributions – they are priceless!*
