

please come show me  
a fancy pony at a ninja  
ranch. fairly groomed. what  
a lovely long mane, and  
ninja skills in sane. oh what  
a terribly great day it would  
be. oh ten pirates lives for  
we. chilling, quite lovely,  
sipping some bubbly that a  
sweater wearing monkey  
brings me. do give him a tip  
or hell chop off some bits  
that i will not discuss aloud  
here and run away fast if  
the day comes to pass that  
the same monkey now has  
rabies.
