

Month 1, 2008

Dear **Sample A. Sample**,

Thank you for requesting information about **VOI #1, VOI #2, VOI #3 and VOI #4**. Enclosed, you'll find in-depth specifications to help you with your selection. Now's a great time to buy a GM vehicle. During our Red Tag Event — **the price on the tag is the price you pay**<sup>1</sup>. See some red. Save some green.

**GM is building the greatest cars, trucks, crossovers and SUVs in its history, focusing on fuel efficiency with a choice. For 2009, GM offers 18 models with an EPA estimated 30 MPG highway or better<sup>2</sup>; seven hybrid models<sup>3</sup> ranging from midsize sedans to SUVs and, in early 2009, two full-size hybrid pickups<sup>4</sup>**

Thank you for considering General Motors. For additional information, please visit **gm.com/catalog** to view the complete 2009 GM vehicle lineup. We look forward to seeing you behind the wheel of your new GM vehicle soon!
