Comfi Heels™

Comfort Insoles For High Heels

**Enjoy your high heels...
without the hurt!**

Make any high-heeled shoe more comfortable — instantly! Comfi Heels orthotic insoles feature patented technology to shift your weight back towards your natural center of gravity.

Designed for all-day comfort!

Just remove the adhesive backing and slip Comfi Heels into your shoes. Then get ready to be amazed at how different you'll feel from the very first step.

Helps to :

- Alleviate pressure
- increase stabilization
- improve body alignment

**Look
& Fabulous
& Feel
Fabulous**
