

RULES

1. Only members in U.S., Canada, Puerto Rico, Australia, and New Zealand are eligible to participate in the Leadership Pool
2. Two Platinum Pools have been established: 4PET Platinum Pool and a Personal Platinum Pool
3. The established Pool amount per month is US\$125,000 for each Pool, totaling US\$250,000 each month
4. Members must have exhausted eligibility in their primary position for the Executive Pools. This is done in one of two ways:
 - 90 days after the Platinum member hits 250 cycles in their primary, twice. OR
 - 90 days after the re-entry has been open for six months
5. Members must be Paid-As Executive, 7-Star Golden Circle or higher for a minimum of two weeks during the Pool month to qualify. The two weeks needed to qualify can be any two weeks during the month
6. Personal and 4PET Net Cycle Benchmarks are a 13-week average (paid weeks) of the paid Team Bonus cycles for each
7. Weekly Net Cycle Growth is the total number of weekly paid cycles (4PET and Personal) minus the Net Cycle Benchmark (for both your 4PET and Personal)
8. Monthly Net Cycle Growth is the sum of your 4PET Weekly Net Cycle Growth for the Pool month. Personal Monthly Net Cycle Growth is the sum of your Personal Weekly Net Cycle Growth for the Pool month. Each Weekly Net Cycle change for the month (both positive and negative) will be used for calculation regardless of member's weekly Paid-As rank.
9. Qualified Net Cycle Growth (or shares) is determined by taking Monthly Net Cycle Growth, dividing it by the number of weeks in the Pool month then multiplying by the number of weeks the Platinum member qualified for the month.
10. To qualify in the 4PET Platinum Pool, 4PET Monthly Net Cycle Growth must be one or more AND Personal Monthly Net Cycle Growth must be 20 or more in the Pool month.
11. To qualify in the Personal Platinum Pool, 4PET Monthly Net Cycle Growth must be one or more AND Personal Monthly Net Cycle Growth must be 20 or more in the Pool month.
12. For the purpose of this promotion only Team Bonus cycles generated from BV accumulated in your two teams is counted for qualification. Executive Match, PIB Equivalent, and Retail Profit Equivalent Cycles are not included.
13. The payout caps for the Platinum Pools are as follows:

14. Commission caps for paid cycles will be used in Net Cycle Benchmark and Net Cycle Growth calculations.
15. The share value will vary by month based on the number of Qualified Net Cycle Growth (QNCG) shares earned in the Pool each month. The share value will be calculated by taking the maximum monthly disbursement amount for the Pool and dividing it by the total shares earned in the Pool.
For example, a US\$125,000 Platinum Pool with a total of 1,000 QNCG shares would create a share value of US\$100/CA\$111 each.
16. The 4-4-5 Reporting Calendar will be used. A Leadership Pool Calendar containing benchmark dates, weeks in pay period, and payout dates is included in this flyer.
17. Payouts for the Leadership Pool will be paid on the closest Monday to the 15th of the following month.
