INSPIRATION

Ian Cobb  
Age: 22  
Detroit, MI

I am a Product Design major at the College for Creative Studies in Detroit, Michigan. As a former NCAA D-2 College athlete at the University of Findlay, I decided to leave my dream of playing football for my dream of designing shoes and other sport related products. At the beginning of junior year I was blessed with a son, Wyatt, who is now almost a year old. He has ignited my passion and determination and motivates me to be the best I can be.
