CP 26l - Camera Pack

Athletic camera backpack with extra compartments to stow away personal equipment

Athletic backpack for professional photographers, it offers:

- 1) reliable protection of sensitive equipment
- 2) perfect fit and exceptional wearing comfort thanks to a sophisticated carrying system
- 3) Quick access to the entire equipment

HIGHLIGHTS

- Quick side access to the camera
- 60/40 division between camera compartment and pocket for other equipment
- Unlimited configuration options of camera compartment

CARRYING SYSTEM / ATTACHMENT & FIXATION

- Carrying system with adjustable anatomical padded shoulder straps, extra wide hip belt (detachable) and reinforced back section with smartly positioned padding
- Stow-away tripod holder on the front
- Lateral tripod attachment straps
- Attachment systems for skis (lateral and diagonal), snowboard (vertical), snow shoes, poles and ice pic
- Detachable padded hip belt with integrated zipper pocket for small items and carabiner-loop

COMPARTMENTS

- Quick access to the camera from the side
- Large opening of main compartment, accessible from the back, with a smoothly running zipper and easy-to-use T-shaped zipper pullers
- 60/40 division between camera compartment and pocket for other equipment
- Equipment pocket with transparent divider towards the camera compartment, also accessible from the front
- Main compartment cover with well organised mesh pockets and transparent tarpaulin pockets for all kinds of small items (memory cards, lenses, caps etc.)
- Camera compartment with sophisticated padding with unlimited individual configuration/organisation options
- Side zipper pocket offers enough room for a 2 l hydration system, with flexible lateral Lycra top for quick access
- Fleece-lined goggle and sunglasses pocket
- 17" laptop compartment

MATERIALS

- Made from the highest-quality materials and most durable heavy-duty fabrics only
- Breathable back with smartly positioned air channels
- Reinforced flat bottom with rubber stands for optimum stability in an upright position

ADD-ONS

- Integrated removable rain cover
- Large ergonomically optimised T-shaped zipper pullers (lockable), particularly easy to use, even with gloves on

FEATURES
