

**Entrance**

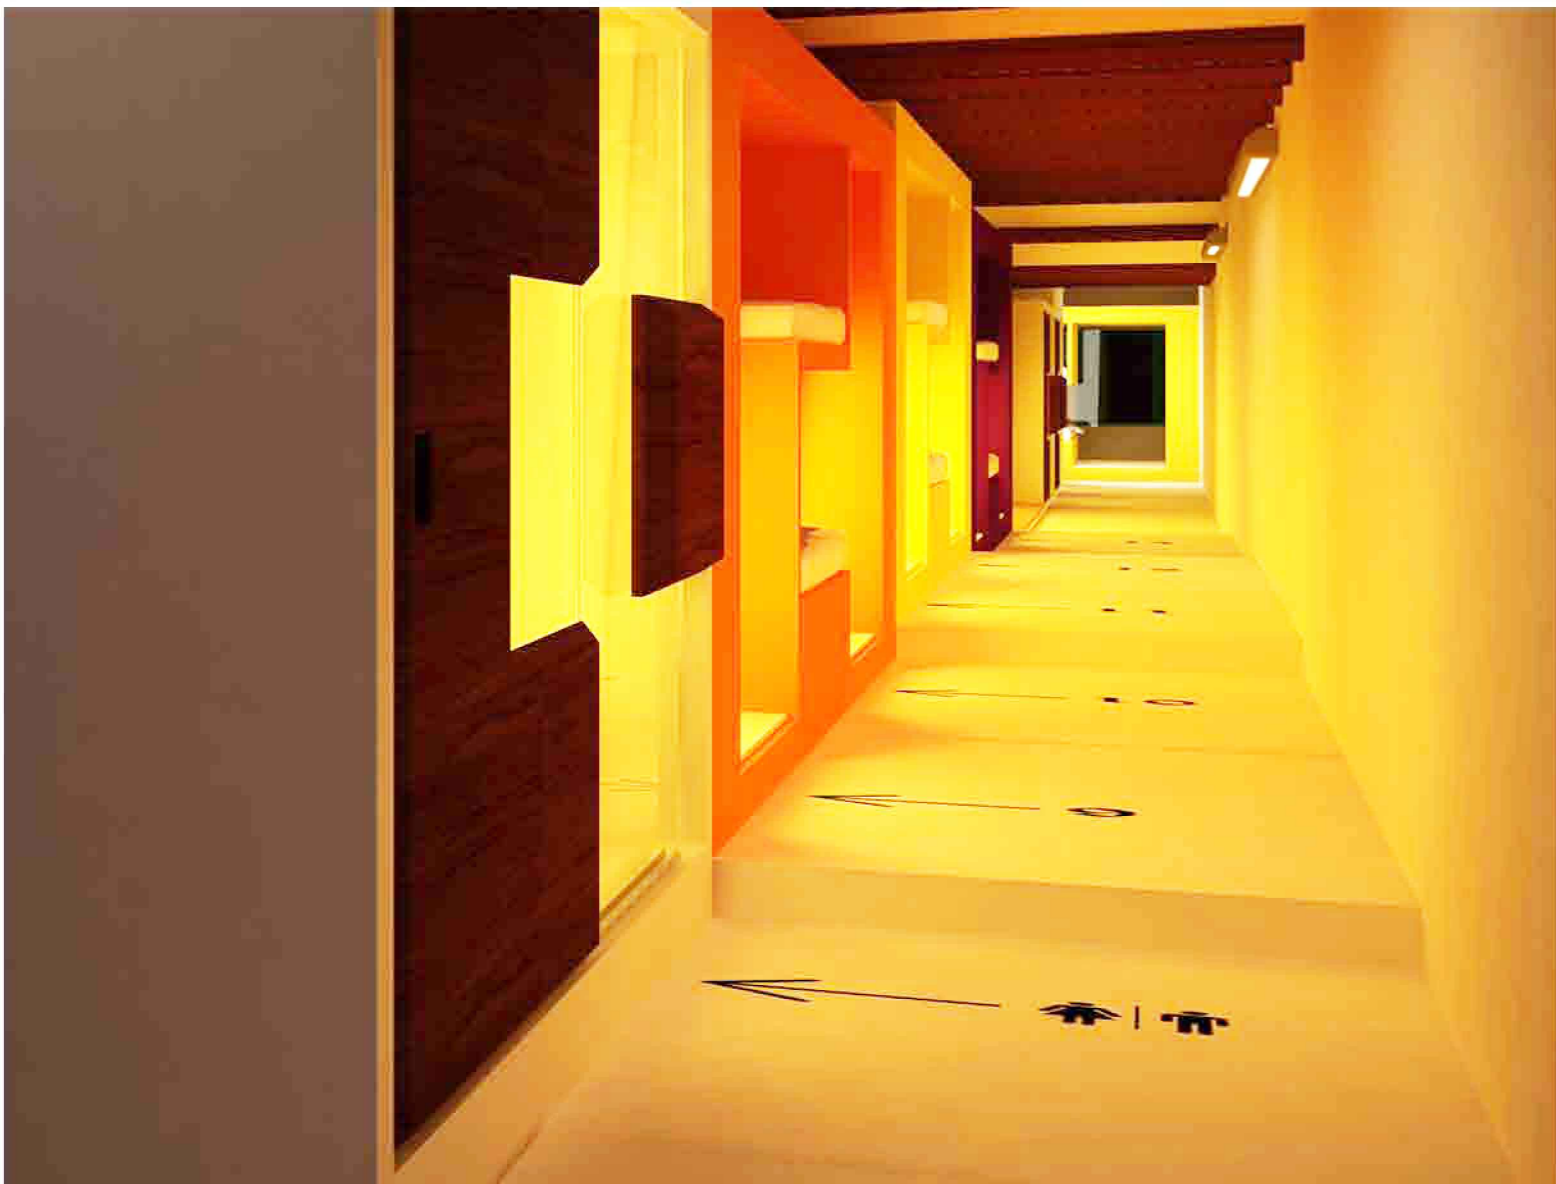

Located along Arab street where many shophouses sell textile products

The brand is displayed across the floor like how the colourful & exquisite carpets are displayed in other shophouses

**Reception**

Located at the center of the space the reception space is given the highest hierarchy

Sky light is channeled to shine directly at the reception space, making it the most prominent space

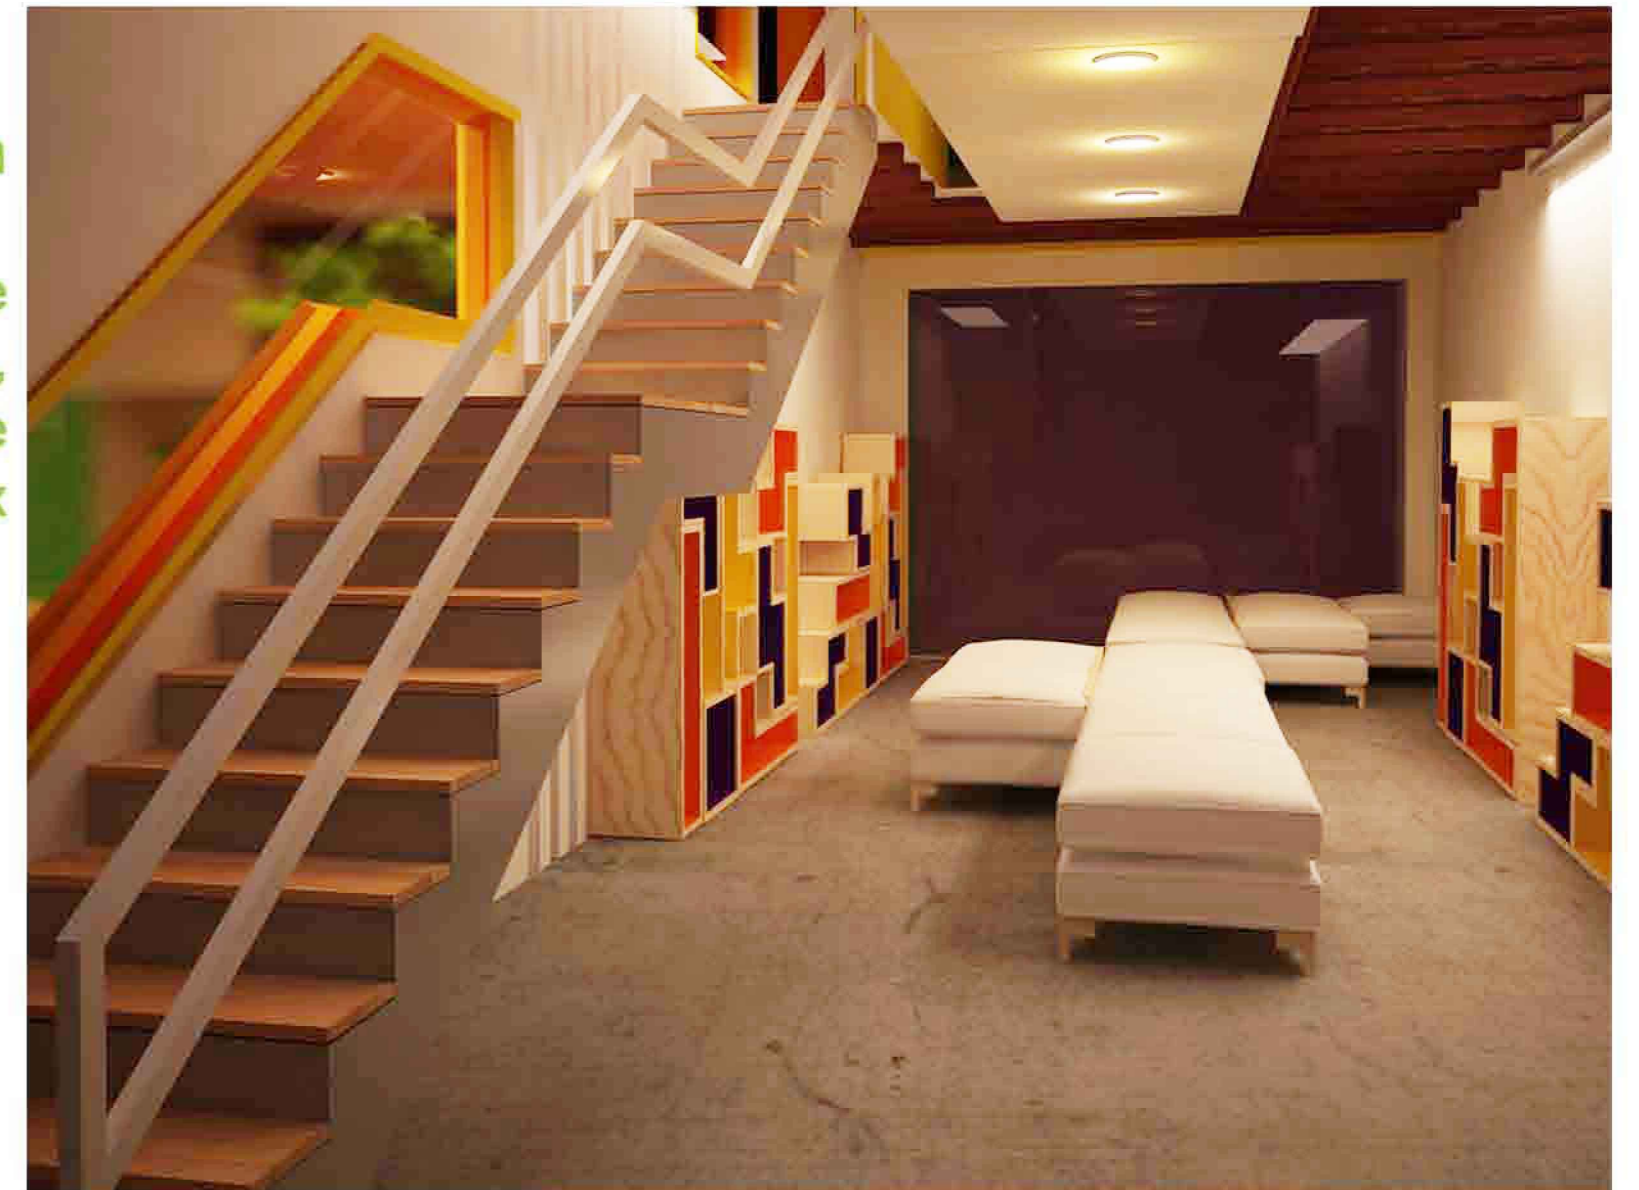

**Capsule corridor**

Unit numbers & directions displayed on the floor

Warm light emitting from each capsules creates a pattern along the corridor

**Reading Area**

Contrast of upholstery and concrete floor balances soft and hard texture, creating a peaceful space for one to relax

**GET 2 GATHER CAPSULES**

Combining the idea of japanese capsule hotel and the simple double-decker bed

GET 2 GATHER capsules places 2 person into a single capsule yet giving both occupants their own private space

Usage of space is optimised without compromising activity and privacy
