

Juicy Couture

Warmer weather beckons with visions of cerulean waters and cabana relaxation. Swimwear offers the perfect way to stylish fun in the sun. A candy-colored palette adds to the playfulness, with multi-hued prints like sweet treat pink infusing the collection with a breath of spring. Bows, ruffles, lace, and other touches turn the eyes. In this collection: swimwear and cover-ups, sandals, wallets, and totes.
