

How much will I weigh? How tall will I be?
Brown hair, green eyes nobody knows,
not even me.

I can't wait for the day I finally arrive.

Because that's when I'll meet you
and get to say hi!

Six more months, you'll
have to patiently wait to see.

Until I arrive

March 10th, unless I'm late
as some babies can be.

But until that day,

Inside mommy's tummy I'll stay.

To grow big and strong.

So we can laugh & play all day long.

Mommy and daddy are excited, as happy as can be.

Because their family of two will soon become three!

We're Pregnant!
