Subject: Pay 10% less for natural gas with Hess Small Business Services

Small Business Services

Big savings
for small businesses

Enroll with Hess Small Business Services and pay 10% less for natural gas than you would pay your local utility.

Your savings are guaranteed.

You'll pay 10% less than you'd pay your local utility for natural gas when you sign up with us for both natural gas and electricity. You can also lock in your natural gas savings for up to 2 years. Consider what that can mean for your bottom line.

The Savings Add Up.

\$720

Average Annual Savings:
Hess vs. the utility

\$200

Hess Gift Card

Straight to your bottom line.

Price-protect your energy supply.

In addition to saving with our competitive electricity rates and natural gas 10% off program, you can also take advantage of Price Protection on both natural gas and electricity. It can shield you against rising utility costs for up to 24 months!

Your questions answered here.

Enrolling online is quick and easy. But if you have questions, go ahead and call us at: **877-628-0677**. We can bring clarity and simplicity to your energy concerns.

Switch today. Save tomorrow.
