

No better plans. No better rates. No better time.

And you can quote us on that.

We thought you'd appreciate a little reminder about the big opportunity DentaQuest's broker incentive program currently offers you, including generous bonus commissions and a chance to win lunch for your office. But you've got to act fast before your window of opportunity closes January 31.

Of course, it's always a good time to quote DentaQuest to your clients. Our quality, affordability and value make us the best carrier for a broad range of businesses. We offer the greatest possible choice with a full line of dental plans—PPOs (we offer two networks!) and a DHMO—at very attractive monthly rates. Clients also appreciate the tremendous flexibility we provide in structuring their dental benefits packages—with voluntary, contributory, dual, and triple options.

Get a quote. Win lunch for the office until January 31.

We also make it easy for brokers to get in on a good thing. You can quickly access rates online or by calling your DentaQuest salesperson. And each time you call or go online and request a quote, you'll be entered to win lunch for your whole office—up to a \$250 value!
