I AM SEEKING TO

Join a creative team as a designer at a fun, brave, and bold company that I can inspire and be inspired by.

EDUCATION

Virginia Tech
Blacksburg / Virginia
Bachelor of Science in Industrial Design
Degree conferred May 2010

EMPLOYMENT

Pinnacle Promotions

Associate Production Manager

Norcross / Georgia | 2012 - Present

Managed a team of designers working on the creation of production graphics for use on promotional products. Ran the art department for NetKnacks, the tennis division of the company. Created print & digital media for marketing.

Independent Designer

Graphic Designer

2009 - Present

Worked with various clients including local bands, boutiques, entrepreneurs, car dealerships, blogs, churches and more. Work output included print collateral, digital advertisements, apparel designs and branding.

Perimeter Church

Facilities Team Manager

John's Creek / Georgia | 2010 - 2013

Managed a team of workers doing set-up and clean-up for church events and facilities. Regularly serviced church hardware, appliances and cleaning equipment.

EXPERIENCE

VT Industrial Design Black Book

Creative Director / Graphic Designer

Blacksburg / Virginia | 2009 - 2010

Created a compilation of current students within the program and a comprehensive list of graduates which strove to connect current students with both each other as well as practicing designers from the program.

KemStudio Integrated Design Workshop

Industrial Design Representative

Blacksburg / Virginia | 2010

Worked in rotating teams consisting of individuals from the industrial design, interior design, graphic design, architecture & landscape architecture disciplines on several projects over the course of 1 week.

Industrial Designers Society of America -

Virginia Tech Chapter

Graphic Designer

Blacksburg / Virginia | 2009 - 2010

Created promotional posters for chapter events. Taught both a sketching workshop for interior designers and a graphics workshop for industrial designers.
