

The Odyssey's high efficiency can save you money!

THE Odyssey

This cast, oil-fired ENERGY STAR qualified boiler offers the best efficiencies, and has built in features to ensure reliable, quiet operation.

www.nythermal.com

The Odyssey was designed with a purpose – To maximize your home comfort, while minimizing the cost over the lifetime of your unit.

Efficient: Its unique three pass combustion path design generates outstanding performance with efficiencies up to 89%.

Cold Start Technology allows the unit to run only when needed... saving you money!

Guaranteed: NTI lifetime warranty heat exchanger is your assurance of quality.

Versatility: Traditional chimney or direct venting.
