DATAPRO CONSULTANTS, Inc.

A HOLISTIC APPROACH TO BUSINESS TECHNOLOGY
WWW.DATAPROCONSULT.COM

In today's fast-paced business environment, efficient, expert and expedient solutions to systems, data and network issues are crucial.

DPC was founded in 1990 and offers a wide range of sophisticated professional services. Services are delivered through three major areas of: Management Consulting, Staff Augmentation, and Outsourcing. Collectively, our service areas and formidable staff enable DPC to draw on a depth of experience and offer a complete host of solutions to our clients.

We stress the importance of methodology and rigor in our approach to initiatives. We partner with our clients to ensure we best meet your needs and achieve a successful outcome. DPC differentiates itself by bringing strong operational and technical experience and methodology to the equation; delivering sustainable, value-added recommendations, executable plans, and implemented results to our customers.

DPC's headquarters is the site of the former Crain's Communications building at 5432 Peachridge Road. We own the building, have no debt, have a 4A1 credit rating, and are poised to grow and evolve to continue to meet and exceed the needs of our valued clients.
