

THE SKY'S THE LIMIT!

BioShock Infinite is a first-person shooter like you've never seen! Just ask the judges from E3 2011, where the Irrational Games title won over 75 editorial awards, including the Game Critics Awards' Best of Show. Set in 1912, players assume the role of former Pinkerton agent Booker DeWitt, a hired gun indebted to the wrong people with only one opportunity to wipe his slate clean: rescue Elizabeth, a mysterious girl imprisoned since childhood and locked up in the flying city of Columbia. Forced to trust one another, Booker and Elizabeth form a powerful bond during their daring escape. Together, they fight from high-speed Sky-Lines, in the streets and houses of Columbia, on giant zeppelins, and in the clouds, all while learning to harness an expanding arsenal of weapons and abilities, uncovering the city's dark secret, and immersing players in a story that is not only steeped in profound thrills and surprises, but also invests its characters with what IGN called "Emotional ties (that) will continue to set the bar in gaming."

THE ART OF BIOSHOOCK INFINITE

In *The Art of BioShock Infinite*, delve deeper into the city of Columbia — the fabled floating metropolis that serves as a beacon of technology and achievement for the early 1900s! This deluxe hardcover features production designs and concept illustrations focusing on main characters Booker DeWitt, Elizabeth, and Songbird from the highly anticipated *BioShock Infinite* video game. See the evolution of the Heavy Hitters, the populace of Columbia, the Sky-Hook, vigors, airships, and much more! This deluxe hardcover also features an introduction from *BioShock Infinite* Creative Director Ken Levine!
