Kiss Me Satan #1

Cassian Steele, New Orleans' head of the werewolf mafia, puts out a hit on an old witch who knows too much. With every monster in town gunning to collect, no one stops to think if she might have protection of her own... like a demon who'll do anything to earn back his halo...

Fairest in All the Land HC

In the grand tradition of *Fables: 1001 Nights of Snowfall*, this original *Fairest* graphic novel — told through the Magic Mirror itself — features short stories written by Bill Willingham and illustrated by some of the finest artists in comics!

Powerpuff Girls #1

The *Powerpuff Girls* — Blossom, Bubbles and Buttercup — are back to take down the meanest of the mean and the ugliest of the ugly, including the monkey mastermind himself, Mojo Jojo!

Sex Criminals #1

Matt Fraction and Chip Zdarsky bring us *Sex Criminals*, the sexy/funny story of a girl and a boy who have the ability to stop time whenever they have sex. A chance meeting at a party leads Suzie and John to do what any kids that can stop time would do: they rob banks.

Thor: God of Thunder #13

Jason Aaron and Ron Garney launch an all-new story arc featuring the bloody return of one of Thor's greatest enemies: Malekith the Accursed — the main villain of Marvel Studios' upcoming sequel, *Thor: The Dark World*!
