“ It should not be denied that being footloose has always exhilarated us. It is associated in our minds with escape from history and oppression and law and irksome obligations... Absolute freedom.”

A black and white photograph of the Hollywood sign. The sign, consisting of the word "HOLLYWOOD" in large, white, block letters, is mounted on a hillside. The hillside is covered in dense vegetation, including various trees and shrubs. In the foreground, there are large, leafy trees that partially obscure the view of the sign. The sky is clear and light-colored. The overall scene is a classic view of the Hollywood sign from a distance, framed by nature.
