Tuesday, February 20, 2007

Before

After

Tuesday, February 20, 2007  
Flushing, New York

Featuring  
Omid Termechi, DDS

# JUMP START *your implant practice*

*This program is designed to provide knowledge of diagnosis and treatment planning for dental implant patients.*

- Get started with implant dentistry in your office.
- Increase the case acceptance by the patient. Increase your profitability with dental implants.
- Learn about computer guided implant surgery, which provides ease of prosthetic and decrease on your overhead.
- Eliminate custom abutment from your practice 99% of the times and learn about the ease of prosthetics with stock solid abutment.
- Provide a higher standard of care with affordable fees for your patients.
- We will provide your patients from simple extraction and bone grafting to major bone grafting, sinus augmentation to immediate implant placement and loading.

## About Dr. Omid Termechi

Omid Termechi, DDS graduated from the New York University College of Dentistry in 1998. He went on to complete a one year General Practice Residency program at Interfaith Medical Center in Brooklyn, NY.

Dr. Termechi continued with a second year of General Practice Residency at Kingsbrook Jewish Medical Center in Brooklyn, NY. Dr. Termechi received his training in Oral Implantology by completing a two year,

full-time Fellowship in Oral Implantology and Biomaterials at the Brookdale Hospital Medical Center in Brooklyn, NY.

Dr. Termechi is an Associate Professor at NYUCD Department of Implant Dentistry Division of Reconstructive & Comprehensive Care. Dr. Termechi is an Attending at the Brookdale Hospital Medical Center in the Department of Oral Implantology and Biomaterials. He is also an Attending Lecturer at Interfaith Medical Center. Dr. Termechi is director of Astoria Implant Center Study Club as well as maintaining a private office in Astoria, Queens. He is an ADA CELL (Center for Continuing Education and Life Learning) Seminar Series Lecturer on various topics on implant dentistry. Dr. Termechi has achieved Associate Fellowship status in The American Academy of Implant Dentistry as well as Fellowship status in The International Congress of Oral Implantology. Dr. Termechi lectures on a variety of topics in Oral Implantology.
