SMALL BUSINESS BULLETIN

DOING BUSINESS ON CLOUD NINE.

Doing business in the cloud really isn't as intimidating as it sounds. In fact, if you're an Internet email user, you're already using it. But the idea of moving your small business to the cloud can feel daunting. We get it. So we offer these tips on the benefits of a cloud solution that will have you singing in the rain, along with valuable news from elsewhere in the world of tech.

DID YOU KNOW?

Nearly tripling since 2011, the number of small businesses using cloud solutions continues to soar.*

WHAT'S NEW IN THE CLOUD

Clear Up Cloud Confusion

Curious about which cloud applications can help make your business more productive? We've put together a handy guide to help you sort it out. [Read more...](#)

Keep Your Business Soaring

Profits can move skyward as small businesses transition to the cloud. See how you can save on delivery of essential services and IT labor costs. [Read more...](#)

Walk Between the Raindrops

A flood of new devices and heavy traffic can slow a growing business' mobile network. Migrating to the cloud can get you moving again. [Read more...](#)

WHAT'S NEW ELSEWHERE

CDW and Google Are Hanging Out

We've recently expanded our partnership with Google. Check out some of the cool stuff they've been up to, and get ready for the future of the Internet. [Read more...](#)

Don't Fear the Tax Man

April 15 may be in the rearview mirror, but that doesn't mean you should wait until next year to start thinking about taxes. We can give you a hand with money management. [Read more...](#)

Take Microsoft Office with You

The wait is over. Microsoft Office is now available for the iPad! So you can finally work at the beach. [Read more...](#)

chromebook

Google Chromebook

Google Chromebooks – built for everyday use and designed for sharing with others. Boots in seconds. Comes with your favorite apps such as Google Mail and Google Drive. You can also centrally manage users, devices and apps across a fleet of Chromebooks via the web-based management console.
