

PRODUCT INFORMATION

Product Ingredients: 30 vegetable cellulose capsules per pot
PER 1 VEGE CAPSULE:

Capsule shell (vegetable cellulose)
*Maltodextrin
Magnesium stearate (vegetable source)
Probiotic bacteria
Bifidobacterium breve
Bifidobacterium infantis
Bifidobacterium longum
Lactobacillus acidophilus
Lactobacillus bulgaricus
Lactobacillus casei
Lactobacillus rhamnosus
Streptococcus thermophilus
* = The maltodextrin is derived from maize.

Grown on a base of soya, dairy and other substrates during the fermentation process. However, the filtration stage at the end of fermentation extracts the substrates. Therefore, this probiotic capsule does contain traces of dairy or soya, but these would not / should not affect lactose intolerant sufferers.

Contains human strain bacteria.
Guaranteed to provide 20 billion live bacteria per capsule for up to 12 months.
Contains no: dairy, wheat, gluten, yeast, added sugar, artificial colours, artificial preservatives, added calories.
Allergy advice: In a base of maltodextrin.
Suitable for vegetarians.

DIRECTIONS

Take 1 capsule, 1 - 3 times per day before food. Best results are achieved when combined with our other digestive system supplements and intestinal products and when taken continuously for 2 - 3 months, together with improved eating habits. Does not require refrigeration. NOTE: Included in each pot is a small food grade approved sachet to ensure the product remains unaffected by moisture after it is opened for use. As stated on the sachet, "do not eat".

Quality Assured

Devon Health Supplements products are produced in the UK under Good Manufacturing Practice (GMP) quality assured standards.

Food Supplement

As with all supplements, seek professional advice before using if you are under medical supervision, pregnant, breastfeeding or suffer from food allergies. Food supplements must not replace a varied and balanced diet and a healthy lifestyle.

STORAGE

Store below 25 °C in a dry place, out of sight and reach of children.
