

Ganon Gil Early Childhood Center

Your Child Deserves Nothing Less!

Customizes its hours to meet YOUR schedule and needs!

Since our founding in 1980, countless hundreds of families have come to appreciate the warmth, educational opportunities, convenience, and flexibility available for their pre-school needs in the heart of San Diego's North County.

Regardless of your religious affiliation or background, Ganon Gil families experience:

- * **Unlimited scheduling options.** Part time and full day programs with a variety of tuition alternatives are available. We're open from 7:00-6:00, Monday-Friday, and also offer special summer hours.
- * **Unique Services.** We welcome children from ages 2-6, and have a vibrant and diverse population. The highly trained staff works hard to accommodate all children and families, with expert child development knowledge and experience. Weekly yoga and music classes are included for all groups. Cooking projects and gardening are integrated in the curriculum, and family involvement and participation create a genuine sense of community. Children in diapers and different stages of toilet learning are cheerfully accepted.
- * **Licensed care.** Ganon Gil staffers bring years of experience to the center. Each is carefully chosen, with strong educational backgrounds and a commitment to professionalism, customer service and formation of meaningful bonds with the children in their care. Our staff includes a full-time Jewish Educator AND there are numerous opportunities for parent education throughout the school year.
- * **Developmentally appropriate programming.** Striving to meet the needs of the whole child, we tailor all our efforts to address your child's social, cognitive, physical and emotional growth. Ganon Gil is universally recognized for emphasizing kindergarten readiness, concentrating on details, individualized attention, with a consistently low student-to-teacher ratio.
- * **Comfort and Safety.** Temple Adat Shalom has been a pillar in the North County since 1976. As a part of this organization, Ganon Gil Early Childhood Center brings warmth, friendship, and security every family wants for their children. Safe, clean, well equipped classrooms and playground areas are a key part of our Poway campus.

See for yourself what flexible child care can – and should – be like. Contact Center Director Marilyn Milne for a personalized tour and more information. Testimonials from former and current parents are available upon request. Come learn about our special learning environment and find out why Ganon Gil is just the right place for your little one!
