

UPDATED CLASSICS

Recognized for its timeless designs, Updated Classics is perfect for every home and lifestyle. Each piece takes root from a design that has been well-recognized, but is given new life in some way. Creative material combinations, simplified silhouettes, and extra additions are all ways to update these classic furniture pieces. Rust reds, forest greens, and denim blues are reliable cushion fabric colors. Texture will be the most out-there way to add flair to these designs.

HAWKINS Mix-and-Match Dining Set, multi-step accent

MELROSE 3-Pc. Small Space Set, adjustable with multi-step finish

CUSTOMIZATION

Customers enjoy being able to select materials for their sets.

EFFORTLESS ENTERTAINMENT

Consumers will buy accessories and storage so they can entertain anytime. Large sectional sets will also be popular for entertaining.

EDEN 5-Pc. Conversation Set, woven-metal combo

RELIABLE

Browns, reds, greens and blues, popular patio colors, make up this palette. Colors of the same hue, like olive, avocado, and kelly green, will be found in combination.

MATERIAL COMBINATIONS

Materials are showing up in unexpected combinations, adding an element of surprise for consumers.
