

Hollywood Res. Floor Plan: floor 1 remodel
 Scale: 3/32" = 1'-0"

- Remodel goals:**
- Sight lines through space (no visible doors or obstructions)
 - In wall cabinetry storage
 - Modular workstation and family dining in kitchen
 - Pull light through entire space w/ glass doors, skylights and clearstory windows
 - Maintain existing plumbing lines within 8 feet

- Private, family and public areas
- Preserve traditional elements on first floor with modern loft style living on second floor
- Indoor/outdoor living areas
- Maintain structural walls and follow roof line height and slope limits
