ABOUT EDGEWISE

Edgewise is a beautifully, charming boutique situated in Shadyside on the upscale Walnut Street. It's a dream come true for corporate queens and private sector princess' seeking to dress for success. Clothing, shoes, and accessories abound for the fashion forward, frugal woman.

The Edgewise woman is a career driven, yet creative woman who believes in self expression and individuality without breaking the corporate dress code or the bank. She has a code of her own that requires her to enjoy dancing on the edge without going over it.

Edgewise is her go to place for style and sophistication. She is greeted at the door by fashionistas who desire to bring out the fashionista in her.

Through this website, newsletters and blogs, Edgewise will keep you up to date and looking great.
