# Hello and Welcome to Northampton Days!

Well, with heavy heart, it's time for me to say goodbye. I have been working on "Northampton Days" since 1993 when the Township came to me and asked me to do a one year celebration for their 275th anniversary.

1997 was the 'one day' function. It was such a hit, the public asked to do it again, and here we are in our 19th year.

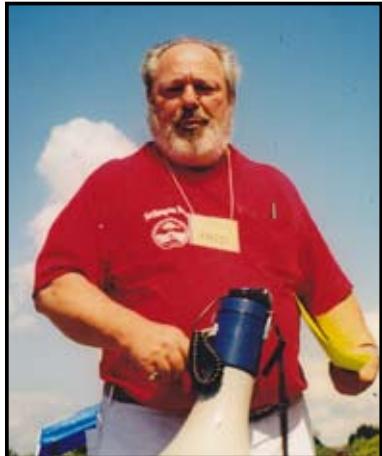

My health will not let me go on, except by phone which I'm glad to do. I'm sure this wonderful committee will get a perfect choice to follow me. I will miss it all!

This year our new activity will be Radio-Controlled "slot cars", a fun thing for all ages. Sounds exciting.

Please enjoy this year's event and God Bless!

## Northampton Days Chairman Fred Stewart

The Northampton Days Festival dates back to the 70's when the Richboro Jaycee Club (now defunct) assisted our then-supervisor Tom Zeuner in organizing the event. Originally, the Northampton Days Celebration was scheduled over three to four weekends. A period of years elapsed and the festival was no longer held.

Then, in 1997 at the Township's request, Fred was asked to establish a one time show for our Township's 275th Anniversary. He enlisted George Lange and Mel Smith to form Northampton Days Inc. as a non-profit organization. He then gathered a core committee of volunteers around them to plan and organize the festival.

For the first few years it was set up along Township Road. It was well received but outgrew its space, so Fred and the committee arranged with the Council Rock School District to use the facilities around Richboro Middle School and now we enjoy it yearly.

Also, the committee was supported by the Northampton Township Business and Professional Association who were key to spreading the word about the festival and helping to insure its success. Fred has served as Chairman of Northampton Days Inc. for nineteen years. He has provided good guidance, disciplined organization and enthusiasm every year. Folks got used to seeing him riding a golf cart around the festival grounds every year.

Fred will be missed. We wish him well in all his future endeavors and hope for the best for him.

# Welcome To The Northampton Days 2015 Celebration!

This annual community celebration is hosted by a volunteer group of concerned residents for you the citizens of the area.

The Northampton Days Celebration dates back to the 70's when the Richboro Jaycee Club (now defunct) assisted our then-supervisor, Tom Zeuner in organizing the event. Originally the Northampton Days Celebration was scheduled over three to four weekends with events like a 10K run and fishing derby (lately run by the Township) a flea market and an antique car show.

Today, Northampton Days is a one-day event with a craft show, car show, kiddie rides and games, with a food and business court, various demonstrations and music throughout the day. There is military flag raising parade, strolling bands, jugglers, balloon makers, a petting zoo, mummers, a talent show and many sports icons; a hay ride pulled by Belgian Horses and much more.

Our volunteers work year around at various events to organize this splendid event attended by upwards of 15,000 persons.

Help is always needed, especially during the big day, always the first Sunday after Labor Day. We always meet in the Northampton Library in Richboro.

To get involved, contact George Lange at 215-355-2158 or by email at [georgianne21@gmail.com](mailto:georgianne21@gmail.com)

# Northampton Township Police Department

## CELEBRATING 50 YEARS OF SERVICE

By Jamie Gwynn, Assistant to Northampton Township Manager

Northampton Township's police department became a full-time law enforcement agency in 1964. Previously, the Township was protected by a part-time volunteer force under the command of Constable Jack Frey, who began his service in 1922. Since Constable Frey was the only law enforcement official in the Township, he became the first Chief of Police. (It has been said that Chief Frey would sit on the front porch of his house at the intersection of Bustleton and Second Street Pike and when a driver would speed, he would jump into his personal Lincoln Continental and chase them down!)

During that time period, the chief of police and his volunteer officers purchased their own uniforms. The typical police budget amounted to \$100.00 per officer, per year for gasoline reimbursement, and an additional \$42.00 for ammunition and miscellaneous supplies.

In 1964, the Board of Supervisors recognized the need for increased police services as residential development and the population began to grow. Thus, a full-time department was established with three officers and a new chief of police, Anthony Fergione.

The department moved into their headquarters on the second floor of a house on Second Street Pike next to the Spread Eagle Inn. In the fall of 1974, the department and the Township were shocked by the sudden death of Chief Fergione. (Under Chief Fergione's leadership, the department had grown in size to 21 officers.)

Shortly after Chief Fergione's passing, the Board selected Lieutenant William Feeney to become the new chief of police. While under Chief Feeney's direction, the department continued to grow in size and technology. New standards

were implemented regarding the hiring and training of officers and specialty units like traffic safety and a S.W.A.T. team were established.

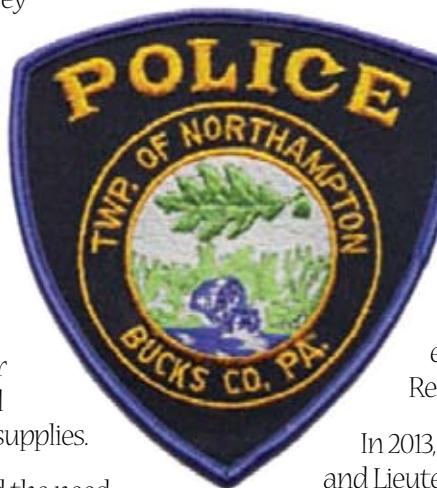

In 1976, as the department continued to grow, a new police headquarters was built on Township Road and is the current location of the department. In 1992, Chief Feeney retired from the department and Acting Lieutenant M. Barry Pilla was selected as the next chief of police.

Chief Pilla maintained the high standards set by his predecessors. He developed the Quality of Life Unit, which focuses on incidents or issues that require more time than what a patrol officer might have available, and was instrumental in the establishment of the County's Regional Special Response Teams.

In 2013, Chief Pilla retired from the department and Lieutenant Michael B. Clark was selected to be the next chief of police. Some of the new initiatives started by Chief Clark have been the "Coffee with Cops" program and the establishment of a Facebook page. A new style of graphics for the sides of the police vehicles was also developed.

During the last fifty years, the department has grown from a volunteer police department to forty-three sworn officers, nine civilian support staff, and approximately twenty crossing guards. The annual budget has increased from a little over five hundred dollars a year to a little over six million dollars a year.

The men and women of the department are proud of the fifty years of dedicated service they have provided to our residents and look forward to providing continued service based on honor and integrity.

# Northampton Township Flag Program

## Honoring Residents in Military Service

**O**n April 23, 2003 the first ceremony was held at the Northampton Commons (now Robert Dembowski, Jr. Veterans Memorial Park) honoring the Northampton residents serving in the military. At this ceremony, a family member typically accepts the military flag for those who are serving overseas, and places the flag in the display, where it remains until that service member returns home to "reclaim" their flag, and replace it with an American flag. Back then, it was 24 troops who were serving, and so there were 24 military flags displayed at the park. Later, a custom-made display was made to move the flags indoors to protect them from harsh weather.

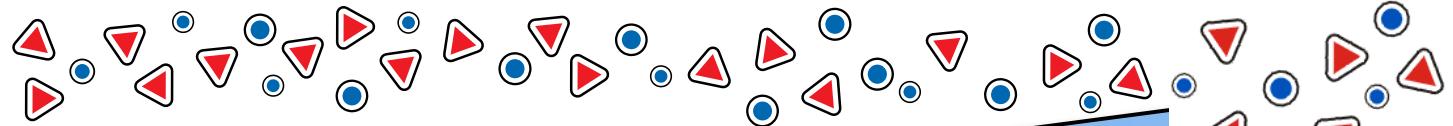

Today, 11 years after the first ceremony, troops are still being honored and flags are still being added and returned. Currently, there are 81 flags in the display; 80 American flags representing soldiers who have returned home and one military flag for a person still in combat.

Sadly, two of our hometown heroes have fallen. Army PFC Bob Dembowski, Jr. was killed in action on May 24, 2007 just a day after his Army flag was placed in the display by his parents. The other was Army Master Sgt. Kenneth Elwell who was killed in action in Afghanistan on July 17, 2011.

### Northampton Military Service Members as of August 25, 2015. Listed by the date their flag was first placed

*Helping to make Northampton  
a great place to live...*

- We assist local businesses in their success by providing a forum for networking activities, recognition, group purchasing, public interaction, education and a voice with local officials.
- We've partnered with Northampton Township to establish the "Butterfly Garden of Remembrance" at the Municipal Park on Hatboro Road, so members of the community have a tranquil setting of solace to reflect upon and honor the lives of their loved ones.
- Through our "Business Person of the Year" award, we recognize a local business person who has made a significant contribution to township residents, businesses and our organization.
- In an effort to support the community that supports us, we host and sponsor several community events, such as Northampton Days and Political Candidate Forums.
- Through various fundraising activities we support several local charities and organizations.

*Support the businesses that support your community!*
