Stop 1 of 4 (4 Stops Total)

14 W 10 th (5th Avenue)
New York, NY 10278

INFO:

This classic brownstone was constructed in the 19th century and is believed to be haunted by the 22 people who have died in the house, as well as Mark Twain. Attorney Joel Steinberg lived in the house in 1987 when he was accused and later convicted of beating his 6-year-old adopted daughter Jessica Steinberg to death...

Current Condition:

Safe. This house is maintained and there is currently a family living upstairs.
