Owner Stephanie Hunter has 10 years of experience in the hair, makeup and salon industry. The salon opened in 2003 as Alter Egos, but revamped and renewed as Exquisite U in 2007 as a beauty boutique; for providing professional hair care and products to multi cultural clients in a modern upscale setting. Stephanie believes in giving the hair professionals at Exquisite U creative freedom, however she is a strong proponent for their continued education, allowing her vision of a multi cultural clientele to be serviced at the highest level. Her expertise ranges in all fields hair, but on a day to day basis, Stephanie's love is in hair care, creative color and cuts as seen here. As a top professional stylist and colorist in her field, she is invited to participate in local and national hair shows, to teach various color and cut techniques for various cosmetology programs in Sacramento and is the current educator for the new product line, Influence
