Objective

I am a dedicated and hard working individual seeking a position in Industrial Design. I work well on team oriented objectives as well as on individual projects.

Education

2007 - Current: **Bachelor of Science in Industrial Design Technology**, Art Institute of Philadelphia **Current GPA - 3.9**

2001 - 2005: **Bachelor of Science in Marketing**, Messiah College

Employment

2009 - Current: Intern, Baker Remodeling

- Learning the design and mathematics of home improvement
- Assisting in floor, room, and garage designs for clients
- Furthering my knowledge of power tools and improved hand skills

2006 - Current: Shift Lead/Assistant Manager, Blockbuster

- Providing exceptional customer service by always helping the customer first
- Leading store in sales for loyalty programs multiple times
- Managing fellow employees to reach sales goals

Related Experience

Designed and assisted in assembly of the stage set for the **2009 Phashion Phest in Philadelphia.**

Assisted in product development with students from the **University of Pennsylvania**, for the Refined Man product: provided Industrial Design and presentation drawings and a promotional video.

Skills + Technology

Experience: Working with wood, metal, plastics and resins

Skills: 3D computer modeling, printing, and rendering, graphic design (logo design, presentation boards, etc.), product development (sketch ideation to prototype)

Technology: Proficient in Rhinoceros, Bunkspeed Hypershot and Keyshot, Adobe Illustrator, Photoshop, InDesign and Premiere, and knowledgeable in SolidWorks, 3D Studio Max and AutoCad.

Honors

- **AWARDED THIRD PLACE in the Collab Tabletop Luminaire Competition**, presented by the **Philadelphia Museum of Art** for the Black Halo lamp design.

- Acknowledged in **"The Design Blog"** for 3D modeled chest set.

- **Best of Quarter:** Award given to the top design project in each class at the Art Institute of Philadelphia.

- **Awarded Eight Best of Quarter awards.**
