

- me prashant varma (maha sagar)  
m very simple, thin, enthusiastic creative person  
ht. 5'9"
- aim creating always the new, true to itself,  
true to the surrounding/material  
to grow well in life
- education have passed 8th standard with flying colors  
in drawing & craft, nothing else  
m still a bachelor in architectural design  
since 2007 & have a white color degree with  
a red stamp
- can draw a line in coreldraw  
photoshop  
illustrator  
in design  
on paper  
on screen
- medals participated twice in an all india level  
photography competition,  
got applause at 1st & a ringing mobile at 2nd  
1st prize in an inter college competition...  
no they didn't give anything
- accomplishment i could finish my craft exam in 15 min flat &  
then would help the girls around  
in 9th & 10th I was thought as an reincarnation  
of einstein since I scored out off marks in maths  
& people didn't believe it!  
passed ceed examination with 186  
all india ranking
- liking i like geometry & the challenges it gave  
to be solved  
exploring new places & photo documenting them  
have keen interest in learning traditional craft
- my possessions thirst for creating new  
a milkmen cycle  
enthusiastic in learning  
sensitive understanding and good reciprocation
- i can serve tasty pasta (since I cook quite well)  
design conceptualization, execution &  
co-ordination end to end  
team player
