

## Discover Kimball

Kimball was first known as Stake 48 on the Chicago, Milwaukee and St. Paul Railroad line going west out of Mitchell. In 1880, the first homestead claims were made in the vicinity. Kimball was then organized as a village in the spring of 1883. It was named for J.W. Kimbell, a surveyor.

The town is also the birthplace of Alton Ochsner Sr., who made his name in Louisiana as one of the world's most renowned surgeons. Born in Kimball in 1896 to his German immigrant parents, Ochsner would become a pioneer in the area of thoracic, or chest surgery. He helped open the first group medical practice in the Deep South, the Ochsner
