

# The Swenson Lervick Law Firm wishes *Eileen Viergutz* all the best upon her retirement!

Eileen started with Swenson Lervick in December, 1976. She moved into paralegal work and in 1994 became an NALA-certified paralegal. She worked in many areas of the law, but probate and estate planning became her niche.

Eileen's contributions to Swenson Lervick and our clients are immeasurable, and we wish her all the best in her retirement!
