TURN KEY PRICING!

We make your House a Home by helping you with the finishing touches. GARAGE, DECKS, BASEMENTS, DRIVEWAYS, SIDEWALKS & MORE.

- Model Homes ready for immediate delivery
- Purchase a model home or custom pick your own dream home

We provide construction expertise, knowledge and materials that will make your building experience a pleasant one.

Build your dream home from start to finish on either an on-site or off-site location

Off-Site Construction -

House built indoors by Custom Touch Homes to maintain the highest quality and remove any weather elements and delays. Volume purchases of material and no labor delays allow us to pass SAVINGS on to you! Once the house is complete, it's delivered to your site where we can add the finishing touches or you can line it up yourself.

On-Site Construction -

House built from start to finish on the lot of your choice by our professional construction crews and sub-contractors.
