- **Upstairs Outside Dining** •

Enjoy the authentic, vibrant flavors of **Mexico** right here in the neighborhood.

Corona Village Restaurant was founded over 25 years ago on the idea of offering original Mexican cuisine served in a relaxing atmosphere. The company has grown to several states throughout the Western United States.

Since the beginning, entrees have been prepared using only the freshest ingredients and finest cuts of meat. From our homemade chips and salsa to our hand-prepared dishes, we offer originality found only at a Corona Village Restaurant.

From my heart I would like to say a big **"THANK YOU"** for your outstanding support for our Mitchell business success!
